WHY SPONSOR

Sponsoring MLPrague gives you the opportunity to reach a diverse audience of **ML, AI and deep learning practitioners**, in one place.

- **Increase Brand Visibility:** Showcase your brand to a highly engaged, tech-savvy audience eager to discover the latest in ML, AI, and deep learning technologies.
- **Attract Top Talent:** Meet and recruit skilled professionals in AI and ML, and position your company as an industry leader.
- **Showcase Your Solutions:** Present your cutting-edge products, services, and technologies directly to practitioners and decision-makers.
- **Generate Quality Leads:** Meet decision-makers actively evaluating AI technologies.
- **Build Strategic Alliances:** Create new partnerships with other industry leaders, researchers, and innovators in the machine learning ecosystem.
- **Support the ML Community:** Align your brand with the growing field of AI and ML, showcasing your commitment to the future of technology.

WHO ATTENDS

- **ML, AI, and Deep Learning Practitioners**
- **Community & Leadership:** Technical managers, community managers, executive leaders
- **Academia / Media / Other:** Professors, students, media, analysts, product managers

WHY ATTEND

Thousands of attendees attend MLPrague each year to:

- **Network:** Meet face-to-face for problem-solving, discussions, and collaboration.
- **Stay Updated:** Learn about the latest trends in ML and AI.
- **Gain Insights:** Access leading experts and navigate the ML landscape.
- **Discover Innovations:** See what industry leaders and projects are shaping the future.
- **Explore Careers:** Find opportunities with top technology companies.
